**What do you like best about driving a bus?**

Getting to know the children throughout the years.

**Why do you enjoy working in La Moille?**

Getting to know the people of the community and making longtime friends.

**The Lion's Pride Disc Golf Course**

Aug 2024

**Here's a recap with the August 2024 statistics!**

*76 plays through the app, 23 unique players, 14 players visited the course for the first time, and 5 disc golfers played their first UDisc round ever at the course (this number suggests that La Moille locals are using the course as their entrance into disc golf! For reference, the disc golf course in Walnut only had two such instances last month). Finally, as a fun little fact, there are two recorded instances of people coming from over 30+ miles away to play the course.*

**Interview Spotlight**

Josh Shaw  
High School Social Science Teacher

**What do you like best about working in the education field?**

I enjoy working in education because it provides an opportunity to make a real difference in students' lives. Helping students discover their potential, and watching them grow academically and personally is incredibly rewarding. I like that it is always evolving, it keeps things interesting, that no two days look the same.

**Why do you enjoy working in La Moille?**

I appreciate the close-knit, supportive community. Being part of a smaller school allows for strong relationships with students, families, and colleagues. A sense of connection makes the work environment more collaborative, and it's rewarding to see the positive influence on the community as a whole.

**Fun Fact:**

I love to bowl, and the highest game I've ever had is a 288.

**Professional Development**

- ROE 28 & 47 are scheduled for 9/18/24 (Homeless Training and School Improvement Training)
- BMP Special Education Cooperative has been working with our SPED Teachers

**Types of Bullying:**

- \*Physical bullying
- \*Emotional bullying
- \*Social bullying
